

Essential/suggested items for you to bring on holiday

Personal towels and tea towels.

Specialist cooking equipment, wok etc.

We provide fire wood – but we recommend that you bring charcoal and kindling, for use of BBQ and starting fires.

Tin foil, cling film.

Egg cups and measuring spoons.

Torches and rubbish bags.

Beds and bedding are provided for 4 people, if there are 5 or 6 in your party they must provide their own camp-beds/airbeds and bedding.

Insect repellent or citronella candles (in a woodland environment you may get some midge flies after rain, the smoke from the fire tends to keep them away however if you are prone to bites additional measures may be occasionally necessary).

Please note we ask that people do not smoke inside the Yurts on the grounds of safety - wooden floors and the furnishings.

Extra toilet paper and fire lighters.

As you are camping it is advisable to have holiday insurance to cover your items and valuables.

Reservations/ bookings are subject to our booking terms and conditions.
